

intelligent accounting online

Web-based Accounting and Business Solution specifically designed for franchises, multi-location businesses, group companies requiring consolidated accounts and accountants offering outsourced services to their clients.

Corporate Offer

accountsIQ is a highly functional Internet based business and accounting solution which allows full anytime-anywhere collaboration across multiple businesses via a central accounting platform. It has been fully accredited by the Institute of Chartered Accountants in England & Wales. It offers:

- Financials (Debtors, Creditors, GL, Bank)
- Sales & Purchase Order processing
- Multi-location Stock Control
- Multi-currency processing
- Cashflow Forecasting & management
- Consolidated accounts
- Business Intelligence & KPIs
- Management Dashboards
- eBanking Integration
- Paperless Office
- Integrated document management
- Benchmarking
- White Labelling ability for accountants/franchises

It is a fully hosted solution delivered from a SAS70 Type II compliant platform, with top level security, backups and disaster recovery. It is suitable for accountants and their clients, franchisors and their franchisees or groups and their subsidiaries or branches allowing them to

significantly reduce costs and greatly improve the quality of service delivery.
