

intelligent accounting online

Fully hosted Accounting and Business Management Application specifically designed for accountants in practice, franchises and multi-location businesses.

Corporate Offer

accountsIQ is a highly functional Internet based platform which allows accountants to collaborate with their clients on their accounts whilst significantly reducing costs and greatly improving the quality of service delivery. It is also ideal for franchises and multi-location businesses looking to reduce their accounting infrastructure costs by going online.

Exclusive ICAI Member Offer:
ICAI Members who sign-up to accountsIQ during 2009 save 25% on the first 5 clients annual subscription and also receive 1 free client data conversion worth €1,000.
