

Taking the pressure off charity finance teams

AccountsIQ enables charity finance managers to transform complex, manual accounting processes into automated, streamlined workflows with detailed, transparent reporting.

Supporting over 100 charities whose operations span multiple legal entities worldwide, AccountsIQ has been proven to meet the complex accounting and consolidation requirements for the sector.

Trusted by over 100 charities

An affordable, simple solution to complex charity accounting and reporting

-  **Cloud-based, 24/7 secure, online access** enables paperless, remote and hybrid working
-  **Automates most manual accounting tasks** - invoice capture, expense management, bank reconciliation and approval workflow
-  **Tracks multiple KPIs** - e.g. cost centre, project, campaign or funding source, with up to six-dimension reporting to meet the needs of management and trustees
-  **Handles SORP reporting** - designated, restricted and non-restricted funds. Plus Gift Aid, MTD and partially exempt VAT with ease
-  **Consolidates multiple legal entities** including trading operations in 1 click
-  **Full multicurrency capability** - transactions and reporting in multiple currencies
-  **Full audit trail** with document attachment

What charities say about AccountsIQ

“What I love about AccountsIQ is the simplicity. It’s no more complicated than it needs to be.”

Jocelyn Boughton, Global Director Finance & Administration, Humentum

“Everything is self-contained within the system; even our bank reconciliations are now automated.”

Tracey Marsh, Finance Director, Welsh Council for Voluntary Associations (WCVA)

“AccountsIQ was the only solution we found that combined the ease of use of cloud based accounting systems and the multi-dimensional analysis that is needed for charity accounting at a cost that we liked.”

Nick Avery, Director of Resources, Lepra
